NOMINATION OF KETANJI BROWN JACKSON

Mr. McCONNELL. Mr. President, the Judiciary Committee has completed its hearing for Judge Ketanji Brown Jackson. I enjoyed meeting the nominee. I went into the Senate's process with an open mind.

But after studying the nominee's record and watching her performance this week, I cannot and will not support Judge Jackson for a lifetime appointment to the Supreme Court.

First, Judge Jackson refuses to reject the fringe position that Democrats should try to pack the Supreme Court. Justice Ginsburg and Justice Breyer had no problem denouncing this unpopular view and defending their institution. I assumed this would be an easy softball for Judge Jackson, but it wasn't. The nominee suggested there are two legitimate sides to the issue. She testified she has a view on the matter but would not share it. She inaccurately compared her nonanswer to a different, narrower question that a prior nominee was asked. But Judge Jackson, seemingly, actually tipped her hand. She said she would be "thrilled to be one of however many."

"However many."
